KEY RESULTS

SMS - Coffee

A total of **2000 farmers** from its existing supply chain and an additional **1000 farmers** will be trained and certified over a period of three years.

CHFML - Feed

15 Demonstration units produced good growth results for pigs fed with local starch ingredients and feed concentrate, highlighting the relevance for concentrate as a low-cost input into pig rearing in rural areas.

NGF - Honey

There was an increase of **114 beekeepers** between 2016 & 2018 who were supplying raw honey to the company. The volume of raw honey sourced from bee-keepers increased from 9.7 MT in 2016 to 38.0 MT in 2018.

NKW - Fresh Produce

NKW has hired three more Field Extension Officers, thus increasing their extension team to seven staff. Last year NKW expanded to new sourcing areas reaching **322 farmers**.
