Queries from Tenderers:

1. Can you indicate the approximate number of project work days expected and a range for the project budget?

Response: The number of project work days should be calculated based on the methodology you propose to use, and we are unable to share a range for the budget. You are requested to submit a financial proposal using the response form.

10. Is public liability and personal indemnity insurance a mandatory requirement?

Response: No, public liability and personal indemnity insurance are not mandatory, but are preferred.
